A1

Sister moon will be my guide In your blue blue shadows I would hide

13

All good people asleep tonight I'm all by myself in your silver light

17

B1

I would gaze at your face the whole night through I'd go out of my mind,

20

out of my mind, but for you.

31

A2

I'm lying in a mother's arms, the primal root of a woman's charms

35

I'm a stranger to the sun, my eyes are too weak, how cold is a heart, when it's warmth that he seeks?

39

B2

You watch every night, you don't care what I do I'd go out of my mind,

42

I'd go out of my mind, but for you.

45

A3

My mistress' eyes are nothing like the sun, my hunger for her explains everything I've done

49

To howl at the moon the whole night through, and they really don't care

53

I'd go out of my mind
