

Darlan Ricardo

(55)27 998375727 | darlanric@live.com | bit.do/drdrafts

My name is Darlan Ricardo Celino. I love to create intuitive and beautiful products for the web, from conception to implementation, while constantly challenging myself and learning new skills and technologies in Web Development & User Interface. I also adventured myself in the entrepreneurial world, by starting with a friend a StartUp called DocMedical. I am looking for new challenges as a professional and eager to acquire more experience.

SKILLS

HTML5, CSS, Ruby on Rails, Front-end, SASS, Git, Bootstrap, Java, Photoshop, Illustrator, Inkscape, Play! Java, C++, MySQL, UNIX, UML, MS Office, Oracle DB.
