STILUS
DESIGN AND CONSTRUCTION

DESIGN PROPOSAL

PREPARED FOR Anthony Butt
PREPARED BY Stilus Design and Construction
DATE: 17.05.2016
ITEM: Outdoor BBQ and pool area
concept design

Specialising in outdoor entertainment areas

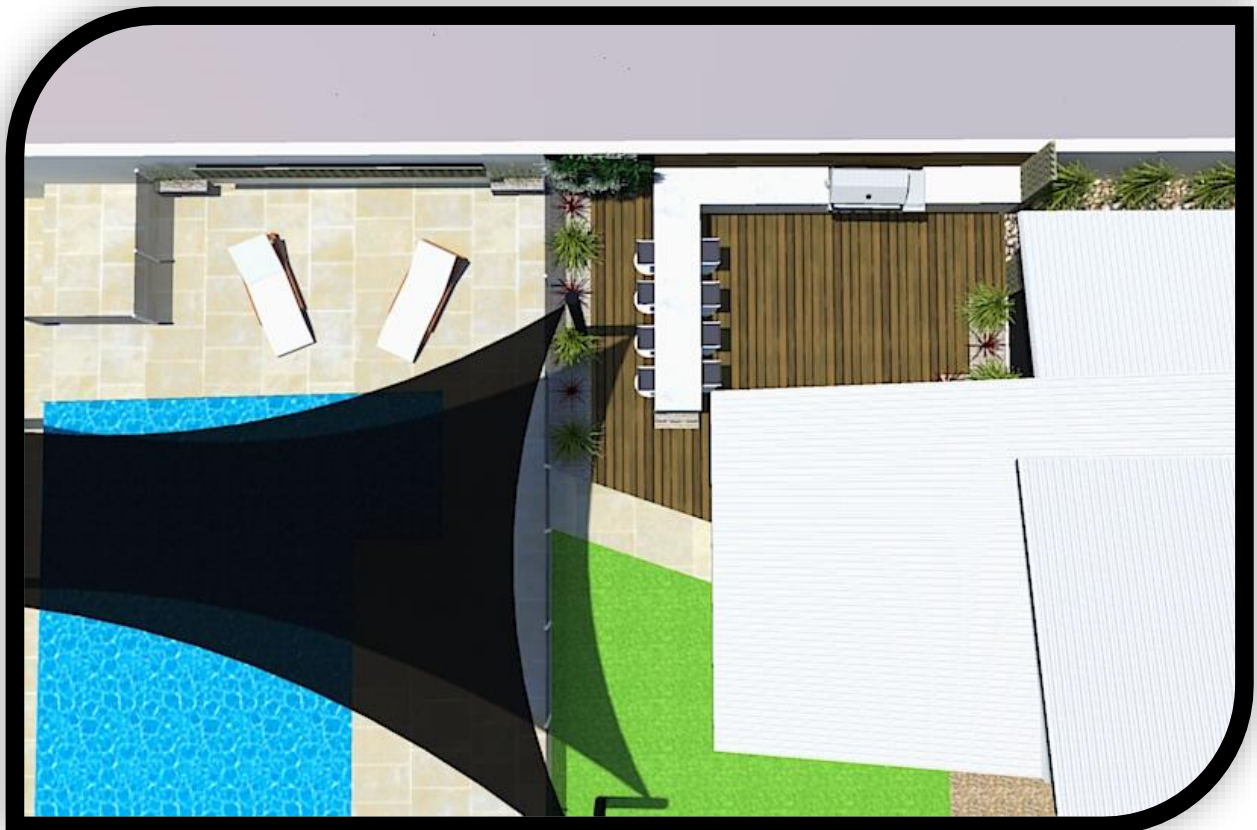

Anthony,

I would like to thank-you for the opportunity to design and construct your outdoor entertainment area. The following design is a 3D representation of the proposed outcome for your project. The design is to be used and valued as a 'concept' only, as authorised plans and council approval may be required before any construction can commence. Once the design has been finalised a detailed quote will be issued to carry out the construction aspect. I hope you enjoy the below images as a true reflection of what we can create for you.

Regards,

Glen Fludder
Business Owner
Concept Designer
Lead Carpenter
