

The background of the slide is a complex, abstract composition. It features a faint, high-angle view of a cityscape, possibly New York City, with recognizable buildings and streets. Overlaid on this are numerous semi-transparent, colorful geometric shapes, including circles, squares, and rectangles in shades of green, yellow, pink, and blue. Some of these shapes contain smaller, darker versions of themselves, creating a layered, collage-like effect. The overall color palette is soft and pastel, with a hint of the city's natural colors like green from trees and grey from buildings.
