

Kerastase Hair Treatment in Delhi & Gurgaon

KÉRASTASE
PARIS

Kerastase is the result of L'Oreal's advanced research over the years, about 700 scientists from countries like US, Brazil, China, India & Japan with 3,420 staff members from 60 different nations, 612 patents registered in 2010 and more than 1,000 products per year work on the advancement of this product every day.

Kerastase is characterized by the awakening of the senses and deep yet gentle massage to completely relax your hair.

You can find Kerastase hair treatment at Monsoon Salon & Spa in Delhi & Gurgaon. It is located at various places across Delhi NCR:
