

## Create a World of Your Own with the Best Housing Project in Faridabad

MG Housing is one of growing builders in Faridabad today. At MGH, we aim at providing our clients with modernized residential apartments which are aesthetic and suit their varied preferences and desires. Our housing projects are designed with utmost architectural brilliance which deals with the struggles of Young India. MGH is an organization aiming to create the most exclusive housing and township projects which are architecturally advanced and have awe inspiring designs. We aim to achieve new and unseen heights in the field of architecture and design and create a housing project in Faridabad which would redefine the idea of comforts within the NCR at a really affordable rate.

We believe in making optimum use of the accessible space in nature and design it beautifully with housing and township projects which can be described as being 'years ahead of their time.' We are well known for our residential properties in Faridabad which is created with futuristic building ideas and is copulated with aesthetic environs. We have been providing comfortable housing apartments since years at cheap prices due to which we share an infinite relationship with our stakeholders.

IMT in Faridabad is transforming the destiny of residential properties of Faridabad with the development of 1800 acres campus, where approximately 2600 companies are expected to open their business house, and which is expected to have 300 large & 1000 small and local industries under its wing.

MGH's Mulberry Country is spread over 10 acres of lush green panorama of land which is camouflaged with parks and walkways. It is situated in Sector 70 of Faridabad. Mulberry Country is a project which offers both 2 bhk and 3 bhk flats in Faridabad. It offers the best facilities for an elite lifestyle experience. It is well connected to the 6 lane Highway and is near to IMT Faridabad.

Our residential [flats in Faridabad](#) consist of all modern amenities with extensive greenery around. The major highlights of the project is the area that it is spread over which is well above 10 acres. It shares closeness with a number of schools, colleges and hospitals. It provides you with 100 per cent power backup, a gym, a swimming pool, a coffee house and various other entertainment zones. It has 14 reputed schools and 4 colleges within the ambit of 6 kilometres. Our [residential apartments in Faridabad](#) are created according to the wishes and desires of our clients and we do not compromise on the styling and comfort of the flats.
