

On Your Mark, Get Set... READ!

Sarasota County Library System 2016

Teen Summer Reading Program

June 1– August 6 (12–18 year old)

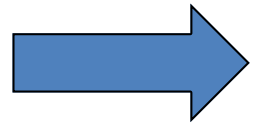

Did you know you could win prizes just for reading?

How It Works:

Register online at <http://bit.ly/2016-Teen-Summer-Reading>

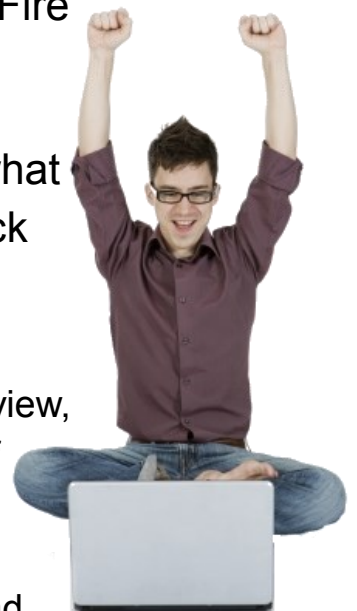

Read anything you want including books, eBooks, audiobooks, magazines, graphic novels, and more.

Record how many minutes you read in your online or paper log (see back) and track your activities on your paper log.

Get:

- chances each week to win a mystery prize bag and chances in a grand drawing for a Kindle Fire (1 per library!)
- more chances by writing reviews on what you read and by doing activities (see back for activities)

Receive an entry for every 30 minutes you read/listen, for each book review, or for each activity you complete. Read at least 900 minutes or cross off every activity on the log to complete the program and be eligible to be entered into the grand prize drawing for a Kindle Fire. Compete against teens from your library to win the Kindle Fire. The more minutes you read, reviews you submit, and activities you do, the more chances you have to win!
