

NCCE 2017

Portland

BRIDGING CAPABILITY WITH OPPORTUNITY

MARCH 22-24 | OREGON CONVENTION CENTER | #NCCE2017

CALL FOR PROPOSALS

*Share Your Knowledge and Expertise
at the Largest Ed-Tech Event in the Northwest*

NCCE 2017 offers a variety of speaker sessions each day of the conference

Presentation Types

2 Hour WORKSHOPS

Hands-on presentations offered by an individual or a team of presenters. Participants will actively work with the tool or process being explored.

50 Minute SESSIONS

Lecture-style presentations that address all areas of the curriculum and appeal to a variety of educators. Sessions may be given by a single speaker, team or panel who can address the needs of the novice user of educational technology as well as the more experienced professional.

EXHIBITOR SHOWCASES

Sessions offered by exhibiting companies to present products and services available on the show floor in an in-depth, informative, and non-sales atmosphere.
