ROSE MARKETING UK LTD

Terms & Conditions of Carriage

ATTENTION - PLEASE PASS THIS MEMO TO THOSE IN CHARGE OF GOODS INWARDS/ ACCOUNTS DEPARTMENTS

Rose Marketing UK Ltd uses the Palletline network for all deliveries under supervision of Potters Logistics (York). As part of the terms and conditions of carriage, we are obliged to make clear our policy to our valued customers. Please note the key points that must be noted in case of dispute.

Carriage is subject to RHA 1998 Conditions of Carriage
It is the responsibility of the Buyer to ensure that a Clear Proof Of Delivery (POD) note is signed – all goods must be signed for at point of delivery and any discrepancies must be clearly marked on POD
Discrepancies should include where possible
What damage has actually occurred to the goods
A description of how the goods arrived
The date + time of when the Buyer discovered the damage
What goods are missing from the Picking Note

**please note a picking note will be attached to all consignments detailing goods delivered and quantity per item
Palletline will request that the Rose picking note is signed and, on occasion in addition the XDA form should also be signed when requested by the haulier

Failure to mark clearly the POD will result in claims not being accepted

As per Terms and Conditions 5.1, the Buyer has 48 hours to report any discrepancy to Rose; the above conditions of carriage will also be applicable.

Terms and Conditions of Sales

So far as they are not expressly varied in writing by Rose Marketing UK Ltd ("The Company") these conditions shall be deemed to be incorporated into all agreements and contracts made and all orders processed by the Company shall be deemed to be carried out pursuant to a contract incorporating these conditions

1 – Orders

- 1.1 – Orders are accepted subject to goods being available and remaining unsold on the basis of prices ruling at the date of despatch (plus VAT where applicable) and are not accepted on a sale or return basis
- 1.2 – None of the Company's sales representatives or Agents has the authority to vary the published prices of the Company's products and no responsibility will be accepted for any deviation unless the same has been authorised and confirmed in writing by a Director or Manager of the Company.
- 1.3 – An order may be varied or cancelled solely at the discretion of the Company provided such variation or cancellation is requested before despatch and thereafter on the Buyer paying the company's reasonable expenses

2 – Quantities

Case quantities are shown on all delivery notes and invoices

3 – Title to the Goods

- 3.1 – The property in the Goods shall not pass from the Company to the Buyer until (a) The Buyer shall have paid the price plus VAT in full and (b) no other sums whatsoever shall be due from the Buyer to the Company. The Buyer shall store the Goods (at no cost to the Company) separately from all other goods in its possession and marked in such a way that they are clearly marked and identifiable as belonging to the Company.
- 3.2 – Notwithstanding that the Goods (or any of them) remain the property of the Company the Buyer may sell or use the Goods in ordinary course of the Buyer's business at full market value for the account of the Company. Until property in the Goods passes from the Company to the Buyer the entire proceeds of sale or otherwise of the Goods shall be held in trust for the Company and shall not be mixed with other money or paid into any overdrawn bank account and shall be at all times identified as the Company's monies.
- 3.3 – The Company shall be entitled to recover the Price (plus VAT) notwithstanding that property in any of the Goods has not passed from the Company
- 3.4 – Until such time that property in the Goods passes from the Company the Buyer shall upon request deliver up such of the Goods as have not ceased to be in existence or re-sold to the Company. If the Buyer fails to do this then the Company may enter upon any premises owned, occupied or controlled by the Buyer where the Goods are situated and repossess the goods. On the making of such request the rights of the Buyer under clause 3.2 shall cease.

4 – Passing of Risk to the Buyer

The risk in Goods will remain with the Company until the delivery at the point named in the invoice and in the absence of written advice from the Buyer to the Carrier and Company as described in Condition 5 below, ALL goods will have been deemed to have been delivered complete in a satisfactory condition. At all times the risk in Goods shall be transferred to the Buyer. Upon collection by the Buyer from the Companies warehouse the passing of risk in Goods transfers immediately as Goods are loaded and become the responsibility of the Buyer.

5 – Delivery

Whilst the Company will endeavour to adhere to its delivery schedule as advised, the Company cannot be held responsible in any way for delayed delivery

5.1 Shortage or Damage – In the event of shortage or damage the Carriers and the Company must be notified within 48 hours from the receipt of the Goods and a claim filed promptly. Any delay may cause a loss to the consignee. The Company's responsibility for delivery of Goods ends when the Goods have been delivered at the Buyer's nominated address.
