Format a 5- to 10-slide PowerPoint® presentation using information from the Needs Analysis.

Identify and discuss three (3) delivery methods.

Your presentation must include the following:

- A definition of each delivery method and how it would be applied for the project
- Pros and cons of a different delivery method
- A training agenda

The presentation must include speaker's notes for each slide, showing what you would say if you were delivering a 15-minute presentation
