PIXAR/UNIQLO T-SHIRT COMPETITION

BRIEF

Create an original design based on the theme of 'Pixar' and 'Friendship'.

SOLUTION

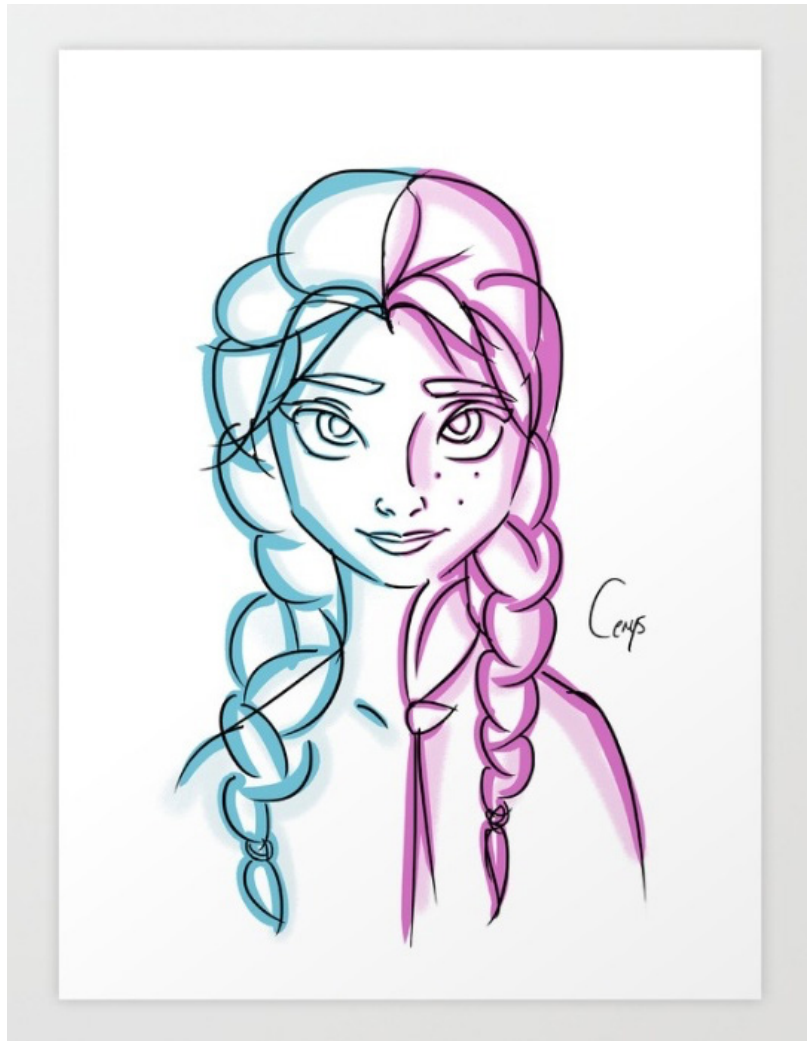

I wanted to include as many different popular Pixar characters as I could. I wanted to have each of the characters interacting with one another as though they were a group of friends rather than characters from completely different films. I also wanted to include something to do with the word 'friends' but make sure it would fit with the style. I thought of using the word as building blocks which are often found in the Pixar film 'Toy Story'.
