

RULE #9) Playing as infantry while in pilot slot

1st Offense: Written warning.

2nd Offense: Kick from server.

3rd Offense: 3 Day Ban.

Definition: The use of a vehicle to move from 1 section of the base to another is strictly forbidden. The flag poles at base can transport you to any of the areas you need to go. Please use these.

RULE #10) Arguing over punishment in game with an admin.

1st Offense: 24 hour ban.

Definition: If you or a friend has been kicked or banned, and you feel it was unwarranted, there ways you can report the admin. These methods were detailed in the notes section at the top of this page. Abuse reports are reviewed by the server owner and are taken very seriously.
