

Replacement confirmation in the following 2 steps:

1. Send the following refund confirmation message on the below link.

(You can change the message content if you want or simply COPY it)

*"Please send a replacement for the item I purchased on e Bay. Once I have received and confirmed the replacement, you can remove the feedback."*

Link- <http://bit.do/eb-msg> (Select the checkbox that says this is not about an item on page and press continue)

2. Please leave this exact follow-up comment written below to the feedback that you left. As per your above message, we will remove this after you have received the replacement.

*"Remove the feedback"*

(Please COPY and Paste the exact comment as feedback removal is computerized)

Link- <http://bit.do/eb-comment> (Click follow up next to the feedback you left, paste the above comment and click on Submit)

Kindly reply once done so that I can share the tracking details of your replacement.
