

PRE-DAY WORKSHOP

WEDNESDAY, SEPTEMBER 14, 2016

BLUECORE HQ 124 Rivington Street, New York, NY 10002

We would like to provide an exclusive afternoon of one-on-one time with our Customer Success team to discuss partner programs and enhance understanding of the Bluecore platform.

Each partner who registers for this Pre-Day Workshop, which takes place the afternoon before the Summit, will have time with a member of our CS team to review program performance and suggestions for improvement, sit in on special training sessions regarding the Email & Audiences Tools, and have the opportunity to work among us throughout the day...and use our wifi. 📶
