

[Love Messages for Friends](#): Does reading a quote on friendship melt your heart? Does thinking about your friends bring back the fondest of memories? Then why wait for tomorrow to send your friends a sweet message? Pull out your phone and text them a big xoxo right away. Post a few of your best pictures and selfies on Instagram along with a beautiful quote that defines your friendship. You can even go a bit old school by sending your friends a greeting card and a box of chocolates. Even if you talk to them on Facebook every now and then, it's doing that extra bit which will help you express your feelings in the best possible way. Don't need to wait for Friendship Day or your friends' birthday, the right time to tell your friends I Love You is right now. Check more details on <http://tqwishes.com/>

1) [Conversations may be](#) short and silences long, but friendship makes for life's most beautiful song. <http://tqwishes.com/>

2) Our friendship is a rare type of currency. It never depreciates, it always appreciates, it is acceptable in all countries but it is available only to a lucky few friends like us.

3) Anything in excess is said to be bad. The only exception to this is our friendship.

4) Even though you are miles away from me, you seem to be closer than most of my family living in the same house. <http://tqwishes.com/>

5) I fight like crazy with you, but isn't this what best friends are meant to do?

6) I will stay friends with you at any cost. After all, our friendship is priceless.

7) A boyfriend's love is special. But a best friend's love is unconditional.

8) We have accepted each other's past. We'll stick together until we last. We promise to be there for each other. That is because we're friends forever.

9) Do you know what heartbreak and cheating have in common? They don't exist between friends. <http://tqwishes.com/>

10) Our friendship is the reason my life is such an amazing trip.

11) The difference between living a good life and living a great life lies in having awesome friends like you. I love you.

12) [You love me](#) the most when everyone else hates me. You believe in me the most when everyone else loses faith in me. You trust in me most when even I can't trust myself – you are the best. <http://tqwishes.com/>

13) You blur the lines between friends and family, because you are both for me.

14) Our friendship doesn't depend on being physically together, as long as we understand each other. Love you. <http://tqwishes.com/>
