The Reservation Deposit is applied towards the contracted wedding photography package totaling \$\_\_\_\_\_ **(after tax)**. The balance of \$\_\_\_\_\_ is to be paid in full, four weeks (30 days) prior to the day of the wedding. Photography will not commence before the invoice is paid in full. Approximately four weeks prior to the wedding, clients must finalize with the photographer a schedule of hours, location(s) and (if desired) an Event Guide.

The client(s) will be responsible for designating an Event Guide, if desired. The role of the Event Guide is to identify people/objects of whom/which specific photographs are desired, as well as to make certain that these subjects are available when needed. It is recommended that the client(s) develop a list of desired poses, locations, and subjects (family and friends; items; etc.) and share this with the photographer well before the wedding. The photographer will NOT be held accountable for not capturing desired photographs if there is no one to assist in identifying or gathering people/items/locations for the photograph(s). The parties agree to positive cooperation and communication for the best possible result within the definition of this assignment. **AHP** is not responsible for key individuals' failure to be present or to cooperate during photography sessions, neither for missed images due to details not revealed to **AHP**.

It is understood that **AHP** will act as the sole and exclusive wedding photographer **AHP** reserves the right to bring one assistant at her discretion. Since flashes from guests' cameras may ruin shots taken by **AHP** the client(s) acknowledge(s) that they are responsible for notifying all of their guests that guest photography shall be limited and not at the expense of the professional photographer's work. It is also recommended that the client(s) ask the wedding guests to **not** have cell phones or cameras out during the ceremony preceding as they will no doubt end up in the photos.

Client(s) acknowledge that all work created under this agreement is the intellectual property of the photographer who shall retain the copyright to the photographs. Client(s) agree not to publish the photographs without permission of the photographer. Client agrees to use only images designated for "web sharing" online. Client(s) also agree not to digitally manipulate the work for public viewing (wedding message board, social networking website or public photo galleries) which includes photo filters, cropping, removal of watermarks, or any alteration of anykind. If a photo is cropped for say, use as

a profile picture for social media, the caption must include a photo credit of “Photo By: **Alexi Hubbell Photography**” with each image posted. Client(s) will have unlimited personal use of the photographs at any time for no additional fee. Client(s) give permission for the photographer to use the work for publication, display, advertising promotion and other uses.

**AHP** only provides the best images that live up to your expectations of our photographic standard. Client(s) is not allowed to request all images from the event. We don't edit all the photos, only the ones that we feel are the best representation of our clients. Part of what custom photography clients are paying for is for you to take the responsibility of eliminating repetition, bad shots, test shots, and eye blinks. Instead of exhausting yourselves culling through every possibility, making hundreds of choices all at once, you are presented with a beautiful collection of unique images that can be immediately used.

While the photographer takes the utmost care with respect to exposure, processing and delivery of photographs, in the event that the images become lost, stolen or destroyed, for reasons within or beyond the control of the photographer, liability is limited to a refund of retainer and payment received. The limit of liability shall not exceed the contract price stated herein.

**AHP** will not be held responsible for any ruined photographs due to guests' (or any other) flashes; or any other ruined photographs due to any other cause in or outside of **AHP's** control, i.e., poorly lit venues where the photographers flash is the only source of light, harsh sunny light during ceremonies, harsh light during group photos and/or portraits that the photographer has suggested not shooting in.

If your wedding runs for at least 6 hours and during a standard meal time when all guests are provided food, a meal is required to feed photographers and their assistants during the wedding. Photographers will be the first to get their plate (after the bride and groom) in order to eat as quickly as possible and get back to shooting. It is up to the client(s) whether the photographer eats in the main venue area or in a separate area of the venue.

In the event that Alexi is unable to photograph the wedding due to illness, emergency, accident, or Act of God, every effort will be made to find a suitable photography replacement. If a replacement is unavailable, the payment(s) made **AHP** will be refunded in full, and return of the payment(s) shall be the entire obligation under this contract. No other damages or guarantees of any kind are recognized or warranted.

In the event that the client(s) reschedule the wedding/event and **AHP** is able to rebook the original wedding/event date, **AHP** will amend the wedding/event date in this contract and client(s) will receive credit for all monies paid up to the date client(s) requests the wedding/event be rescheduled. In the event that the client(s) reschedules the wedding/event and **AHP** is NOT able to rebook the original wedding/event date, **AHP** will amend the wedding/event date in this contract and client(s) will forfeit the Reservation Deposit, but receive credit for all other monies paid up to the date client(s) requests the

wedding/event be rescheduled. Client(s) should note that the Reservation Deposit will not then be available to apply toward their final installment. In the event that the client (s) cancels the wedding/event outright, Client(s) will forfeit all monies paid up to the date client(s) notifies **AHP** that the wedding/event is cancelled. Cancellation must be in writing (print or email) even if a phone call was made to inform **AHP** of the cancellation.

This Contract incorporates the entire understanding of the parties. Any modifications of this Contract must be in writing and signed by both parties.

To confirm your booking and acknowledge acceptance of this contract, please sign date, and return with the retainer to **AHP**. It is recommended you print a copy for your records.
