

## **ASB APPROVED CLUBS**

### **3D Printing**

\*Advisor- Audrey Warmuth

\*Room 101- Club meets Fridays during lunch

The 3-D Printing Club's main goal is to grant the opportunity of 3d Printing to students who don't have access to 3-D Printers. Members will be exposed to this new technology and its advances, and create fun environment to improve creativity and independence.

### **Acts of Random Kindness**

\*Advisor- Scott Nelson

\*Room 702- Club meets Fridays during lunch

We high school students face stress, anxiety, drama, and negativity from time to time. The Acts of Random Kindness Club strives to make high school a little more pleasant by conducting uplifting campaigns, activities, and projects, because it's the little things in life that make a difference. Through ARK-tivities such as "ARK Loves You" posters for victims of bullying, Kindness Scavenger Hunt, Finals Week Care Packages, and Thank You Letters for janitors and faculty, ARK has brightened the school environment and has become a sprawling movement blossoming at over 40 high schools and counting across and beyond California.

### **Anime Club**

\*Advisor- Sara Tseng

\*Room 409- Club meets Tuesdays during lunch

Anime enthusiasts join to watch different anime first episodes every week.

### **Application Development Club**

\*Advisor- Debra Troxell

\*Room 302- Club meets Wednesdays during lunch

SHS App Dev is about programming apps for the school and community. Students learn some coding skills and attend hackathons.

### **Art Reach**

\*Advisor- Mike Tyler

\*Room 202- Club meets every other Friday during lunch

Meetings involve various activities, from making posters to holding sketch sessions. Occasionally members' works are featured in school galleries.

### **Baby Advocacy**

\*Advisor- Kim Anzalone (temporary)

\*Room 604- Club meets first Monday of the month during lunch

The Baby Advocacy Project is a student-run non-profit that aims to reduce access barriers to prenatal care for lower-income Hispanic women in the Bay Area. A large

number of pregnant women in the Bay Area do not avail of prenatal care simply because they are unaware of its importance and of its availability free of charge. Many undocumented immigrants are further concerned about their potential deportation. The Baby Advocacy Project's mission is simple, and yet one of utmost importance: that every pregnant woman in the Bay Area receives the prenatal care she needs, regardless of race, income or social strata.

### **Book Club**

\*Advisor- Cathy Head

\*Room 005- Club meets first Friday of the month during lunch

The Book Club reads a book a month for pleasure. Tastes in books range from Sci-Fi and Fantasy to Romance and realistic fiction, and yes, some classics. Titles are chosen by popular vote. If members can't get to the reading any given month, it's fine, we just ask that all members attend the meetings to help choose the next book and perhaps be inspired to read books they've missed, if the discussion by those who did read it sounds appealing.

### **Breast Cancer Awareness Club**

\*Advisor- Leah Aguayo

\*Room 201- Club meets Thursdays during lunch

The Breast Cancer Awareness Club's mission is to fundraise money to donate towards helping women who cannot afford mammograms and proper treatment for their cancer, receive it. We achieve this by planning bake sales and merchandise sales. We also aim to spread awareness throughout campus of the deadly disease that affects so many.

### **California Scholarship Federation**

\*Advisor- Matt Torrens

\*Room 506- Club meets on Mondays during lunch

The California Scholarship Federation (CSF) emphasizes high standards of scholarship and community service for California high school students. Founded in 1921, the California Scholarship Federation is the oldest scholarship institution in the state of California.

### **Chess Club**

\*Advisor- PJ Yim

\*Room 301- Club meets on Mondays during lunch

Chess Club is a meeting place for those who are interested in chess. Club members play chess, hang out, learn chess and hear about chess events from officers, and occasionally participate in chess activities like watching chess videos and playing chess variants/ blitz in the quad. We also recruit team members for the Saratoga Chess Team, which competes in the Santa Clara Valley Chess League and at state and national chess tournaments.

## **Coexist: Gay-Straight Alliance**

\*Advisor- Amy Keys

\*Room 006- Club meets Thursdays during lunch

Coexist, Saratoga High's Gender and Sexuality Alliance, aims to provide a safe place for LGBTQ+ students and allies, to eliminate stigma at our school attached to the LGBTQ+ community, and to support organizations that benefit the LGBTQ+ community.

## **Committed 2 Community**

\*Advisor- Aubrey Warmuth (Temporary)

\*Math Quad- Club meets Mondays during lunch

We are a service club that focuses on meaningful service activities around the community.

## **Computer Science Club**

\*Advisor- Debra Troxell

\*Room 302- Club meets Mondays during lunch

The computer science club works to promote interest among students in computer science. This club focus on algorithm.

## **Culinary Club**

\*Advisor- Suzanne Herzman

\*Room 004- Club meets Fridays during lunch

Culinary club is a club for cooks and food enthusiasts. Anyone who is interested in learning about food and cooking is welcome.

## **DECA**

\*Advisor- Arnaldo Rodriguex (Temporary)

\*Room 601- Club meets Fridays during lunch

DECA is a competitive business club that develops and nurtures students' interest in business, marketing, management and other topics.

## **Democracy Matters**

\*Advisor- Kirk Abe

\*Room 505- Club meets on Wednesdays during lunch

The goal of this club is to engage students in political debates and discussions based on current event issues.

## **Drama Club**

\*Advisor- Sara Thermond

\*Thermond Drama Center- Club meets every other Friday during lunch

Drama Club is an open and welcoming environment for all students. It is designed for anyone interested in the performing arts. Haven't ever been in a show before? This is a perfect opportunity to try it out! The drama family is always there to help you through the amazing process of putting on a show, whether it be acting in the show, stage managing a show, or teaching a show. Throughout the year, you can be involved in the Fall play, spring musical, and any of the available student productions. And if you're not interested in involvement with the shows, Drama Club always makes available opportunities to watch professional local shows, and go on any of numerous field trips! Be a part of the dramafamily to make valuable friendships, and express yourself in a new way.

### **EcoArt**

\*Advisor- Meg Battey

\*Room 704- Club meets every other Tuesday during lunch

EcoArt combines art and recycling to form a club that focuses on finding novel ways to repurpose old items. We've turned items like bottle caps, plastic bags, and glass bottles into magnets, bracelets, and candle holders. We believe that reusing old items can conserve resources and make our planet a better place environmentally, and joining EcoArt is one way of doing so.

### **Environmental Club**

\*Advisor- Kristen Thompson

\*Room 1015- Club meets Tuesdays during lunch

Our mission is to spread environmental awareness around the school by sharing ideas about current event issues and reforms regarding environmental science and policy.

### **Faithwalk Club**

\*Advisor- Lisa Cochrum

\*Room 1017- Club meets Fridays during lunch

### **FBLA (Future Business of America)**

\*Advisor- Gina Rodriguez

\*Room 603- Club meets Mondays during lunch

FBLA is a national vocational student organization for students in high schools who are interested in business or business education careers. It helps students develop leadership abilities, prepares them for entry into a business-related occupations, and offers a setting where members compete at regional, state and national levels in business and technology curriculum. The club focuses mostly on competitions and networking, enabling students to both illustrate their business prowess and social skills.

### **Fellowship of Christian Athletes Club**

\*Advisor- Tim Lugo

\*Team Room- Club meets Thursdays during lunch

Fellowship of Christian Athletes (FCA) is open to all students, not just Christians. FCA focuses on how you bring your faith into your sports so you can play with better integrity, fairness, and teamwork. It is centered specifically on the Athletic point of view but we can answer questions about your daily life as well.

### **FIDM Fashion Club**

\*Advisor- Andrew Ford

\*Choir Room- Club meets every other Tuesday during lunch

The FIDM Fashion Club brings together students with an interest in fashion and educates them about the world of fashion. Members will be exposed to current events in the industry, such as the global Fashion Weeks, and discuss anything from the creative to the business side of fashion.

### **French Club**

\*Advisor- Elaine Haggerty

\*Room 408- Club meetings on Wednesdays

French Club is open to all students with an interest in French culture. Knowledge of the French language is not required, but many members do speak French. We celebrate and learn about French culture through activities such as celebrating holidays, sampling French food, field trips, and guest speakers. We will also focus on fundraising activities for charities that benefit people in need in the francophone world.

### **Game Creation & Digital Arts**

\*Advisor- MattWelander

\*Room S01- Club meets on Fridays during lunch

Game Creation and Digital Arts club is a NEW club on campus. We'll teach you everything, from the programming aspects, to the 2D sprite work, or the 3D modeling. By the end of the year, you'll have at least one fully functioning game, which you can show off to all your friends! Bring a computer, sit down, and have some fun building games!

### **Glee Club**

\*Advisor- Andrew Ford

\*Choir Room- Club meets every other Monday during lunch

Glee Club is a NEW to campus, club dedicated to performing in places where entertainment may not always be available, such as hospitals, and to raising money for various charities. Because the club wants to be as inclusive as possible, anyone interested in influencing the community and making people smile is welcome to join!

### **Global Health Club**

\*Advisor- Kristofer Orre

\*Room 1021- Club meets every other Thursday during lunch

If you are interested in the medical field, then this club is for you! Global Health Club will be run under the close guidance of Stanford Clinical Professor Evaleen Jones. Members will gain experience in medicine through clinic and hospital shadowing, interactive guest speakers from the medical field, and a research project that aims to improve an aspect of the local community. In addition, Dr. Jones will be personally coaching members on how to balance and train their minds to maximize their academic potential. Club members will also grow their leadership skills and explore their passions while being mentored by Professor Jones and a variety of medical professionals and professors.

### **Helping Hands**

\*Advisor- Kirk Davis

\*Room 1014- Club meets Wednesdays during lunch

Helping Hands is a peer tutoring club where students at Saratoga High tutor those in the community who cannot or are scared to get the help they need.

### **Impact Christian Club**

\*Advisor- Lisa Cochrum

\*Room 1017- Club meets Wednesdays during lunch

Impact Christian Club of Saratoga High School in Saratoga, California is a student-led Christian religious group that meets every week at lunchtime. Members consist mostly of students, who are of many different backgrounds. The club's purpose is to gather all who are willing to experience God and minister to others in a safe and friendly community environment at school. The club aims to equip members to be spiritually effective Christians so that they may be a living testimony. Prospective members who are curious about the beliefs of Christianity are encouraged to join regardless of age, gender, ethnicity, belief system, etc. The club is also a part of the coalition of other Christian clubs associated with the FUHSD schools.

### **Indian Cultural Awareness Club**

\*Advisor- Debra Troxell (temporary)

\*Room 302- Club meets Fridays during lunch

The Indian Cultural Awareness Club welcomes all SHS students to share their love for dance, music, and Indian Culture. The club's main event of the year is Bombay in the Bay, a student-run dance show which includes several genres of Indian dance such as fusion, classical, bhangra, as well as a singing act. Students from all grades have the opportunity to choreograph and dance in their respective grade dances and more. All proceeds benefit a charity based in India of the club's choosing. After Bombay in the Bay 2015, the club was able to donate over \$15,000 to Pratham, an organization that works to improve education in India. Bombay in the Bay is a great way for students to express themselves while also making a difference in the lives of others.

### **Interact Club**

\*Advisor- Carrie Bohls

\*Room 003- Club meets Wednesdays during lunch

Interact club is a service club for youth ages 12 to 18 and is part of Rotary International, the world's first service club organization. By empowering teenagers to take action in their community, Interact District 5170 unites thousands of students across the Bay Area, working towards one common goal. #strongertogether

### **Investment Club**

\*Advisor- TBD

\*Meeting location and times TBD

The Investment Club introduces students to the modern concepts of investing and entrepreneurship through basic financial lessons, the stock market game, and guest speakers. The club's goal is to educate students and promote interest in finance. Throughout the year we invest our own funds in the stock market through a 501c3 nonprofit registered in our name. In addition, we participate in a number of simulated stock market competitions from around the nation.

### **Junior State of America**

\*Advisor- Arnaldo Rodriguex

\*Room 601- Club meets Wednesdays during lunch

JSA is geared towards promoting more SHS youth participation in the local politics of Saratoga. We organize events, collaborate with the city council, and draft legislative bills as part of getting involved in the community. We teach new members vital skills of communication and eliminate any shyness through real-life experiences of collecting money from businesses and reaching out to organizations. There are two statewide JSA meetings in a year, where students from all Northern California schools congregate in a hotel to discuss current issues and debate hot topics. Similarly, students in JSA get to voice their opinions on a variety of problems, either local or national. We talk about the most recent news in the world and take turns leading lively political discussions.

### **Key Club**

\*Advisor- Meghan Pickett

\*Room 105- Club meets Wednesdays during lunch

Key Club is a community service club. We find volunteering opportunities for students to participate in every week. We also do various fundraisers throughout the school year to collect money to donate to charity.

### **Marine Bio Club**

\*Advisor- TBD

\*Meetings location and time TBD

The marine biology club explores life in the oceans: 75% of our world. We strive to learn new facts and conserve their beauty through meetings, dissections, and trips that help us discover the endless mystery of the ocean.

### **Math Club**

\*Advisor- PJ Yim

\*Room 301- Club meets Fridays from 2:45 to 4:20 PM

Toga Math Club aims to provide an environment conducive to learning mathematics that goes well beyond the bounds of classroom material. Activities include discussion and presentation of interesting math problems/topics and preparation for various math contests. If you are a self-driven and motivated mathlete who loves tackling challenging problems, this is the place for you.

### **Miles for Smiles**

\*Advisor- Jennifer Mantle

\*Room 104- Club meets every other Monday during lunch

Miles for Smiles is an organization that works towards raising money for Smile Train, a charity that provides free cleft surgeries for children in third world countries. Our main event is in the spring, and is a 5 mile run and the students have raised money from their own friends and family. With all the pledges combined, students are motivated to run and raise money for the cause. Hoping to raise awareness for the cleft condition, Miles for Smiles is aiming to save over 40 children this year.

### **MIT Launch**

\*Advisor- Carrie Bohls

\*Room 003- Club meets Tuesdays during lunch

MIT Launch has adapted its summer program materials to provide high schools part of the Launch experience during the school year through a school club. Club members start a company in teams, learning the entrepreneurial skill set and mindset by starting, growing, and experiencing the adversities of founding a company. Throughout the year, club members will work on their companies, and will make a final pitch video detailing their progress in the end of the school year. Video finalists selected by the Martin Trust Center will receive mentorship and pitch at MIT on May 2.

### **Mock Trial**

\*Advisor- Matt Torrens

\*Room 506- Club meets Tuesdays at 6:45 P.M.

Mock Trail Club is a competitive team in which students act as attorney's, witnesses, and other court room officers where they argue a case before a real judge. Students learn the formalities of the court room as well as practice the techniques of attorneys and witnesses. The will hold auditions in the fall and practice in the fall and winter every Tuesday night. January is the month of scrimmages and the competition at the Superior Court in San Jose.

### **Model UN**

\*Advisor- Kim Anzalone

\*Room 604- Club meets Tuesdays during lunch

Model UN is a forum for debating world problems, historical and present. The club develops public speaking, problem solving, and negotiating skills and allows members to

take on the stance of a country on global issues. We attend conferences at Santa Teresa High School, Stanford University, and we also collaborate with Lynbrook MUN. If you have strong political opinions, like to debate, or want to be a part of an internationally recognized community, please join us!

### **MSET (Robotics)**

\*Advisor- Judi Herer

\*Robotics Room- Club meets various days after school. Officers meet on Tuesday during lunch

The Mechanical Science and Engineering Team (MSET) is a FIRST robotics club that extends from FIRST Tech Challenge (FTC) to the First Robotics Competition (FRC), as well as rocketry and the local Tech Challenge at the Tech Museum. Whether you have absolutely no idea where to start or already have experience in robotics, there's always a place for you. We promote STEM education, but grant writing, presentations, and other non-STEM fields are also emphasized, alongside engineering and manufacturing. FTC is active from September through February while FRC is most active from January to May.

### **Multicultural Club**

\*Advisor- Mariam Fan

\*Room 410- Club meetings Fridays during lunch

Our club, the Multicultural club, focuses on helping students with ESL background improve their English. We also encourage club members to share their culture with each other. We help students find volunteer opportunities. We also sell PMT for fundraising, the profit will go to charity. We hold field trips, watch movies, and have reading Socratic seminars.

### **Mystery Club**

\*Advisor- Amy Keys

\*Room 006- Club meets Fridays during lunch

Mystery Club is a club for people who love mysteries of all types, whether it be reading mystery novels, watching mystery television shows (Sherlock!) or solving our own mystery lunches.

### **National Honor Society**

\*Advisor- Kim Anzalone

\*Room 604- Club meets Wednesdays during lunch

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of scholarship, leadership, service, and character.

### **Photography Club**

\*Advisor- Michael Boitz

\*Band Room- Club meets Tuesdays during lunch

We provide an environment for people interested in photography at any level to learn and practice their skills. Students will be given opportunities to go to scenic locations and produce unique photos. Members will also be urged and guided to submit their work to photo contests, art collections, and public showrooms such as the Saratoga Public Library.

### **Psychology Club**

\*Advisor- Scott Nelson (Temporary)

\*Room 702- Club meets Wednesdays during lunch

During our meetings, we hold lectures and presentations on specific sections of psychology to further educate members on the subject. Occasionally Ted Talks and educational videos will also be featured. This club is an excellent way to learn more about psychology and interact with other interested students.

### **Raising Interest in Science and Engineering (RISE)**

\*Advisor- Cheryl Lenz

\*Room 1012- Club meets every other Wednesday during lunch

The RISE club aims to help students become involved and thrive in science and engineering activities and competitions. Focuses include conducting scientific research, applying science to solve real world problems, and participating in other STEM competitions. If you're interested in math and science and would like to be a part of a community of like-minded students, join us!

### **Red Cross Club**

\*Advisor- Michael Tyler

\*Room 701- Club meets Wednesdays during lunch

We are a school club operating within the bounds of the American Red Cross in hopes of making our local community a better one.

### **Science Bowl (part of Science Club)**

\*Advisor- Kathy Nakamatsu

\*Room 1010- Team meets Wednesdays during Tutorial

The U.S. Department of Energy (DOE) National Science Bowl is a nationwide academic competition that tests students' knowledge in all areas of science and mathematics. High school student teams of four face-off in a fast-paced question-and-answer format focused on biology, chemistry, Earth science, physics, energy, and math.

### **Science Club**

\*Advisor- Kristin Thompson

\*Room 1015- Club meets Thursdays during lunch

Science Club is a place where students who are passionate about science can explore different aspects of science with other equally passionate students. This year's focus will be on science competitions, research internships, and research/career presentations from student speakers or guest speakers.

## **Science For Youth Club**

\*Advisor- Janny Cahatol

\*Room 1010- Club meets Wednesdays during lunch

Science For Youth focuses on extending science outside of the classroom setting in the Bay Area through interactive and engaging science presentations at local libraries and elementary schools. Science for Youth seeks to pique scientific curiosity, foster intellectual growth, and inspire a love of learning in youth of all backgrounds through our work in the community.

## **SCOPE**

\*Advisor- Ken Nguyen

\*Room 001- Club meets Fridays during lunch

Scope club focuses on health and education, targeting both the young and old population. We dedicate to create visible impacts in the community and to provide volunteering opportunities at the same time. Our goal is to maintain both physical and mental health of diverse populations in the community. Through the process we initiate long-term projects to instill lasting change. We welcome any fresh ideas so join us now!

## **Social Justice Club**

\*Advisor- Amy Keys

\*Room 106- Club meets Wednesdays during lunch

The Social Justice Club discusses the pervasive social justice issues of our time, not to change the world or even Saratoga, but to help members & nonmembers to have a more complex world view. Additionally we aim to educate members and non-members about topics that they may have heard about, but are not intimately acquainted. This allows students to go out into the world and make substantive connections with others.

## **Spanish Club**

\*Advisor- Arnaldo Rodriguex

\*Room 601- Club meets Fridays during lunch

¡Hola! Spanish Club serves to educate students about various aspects of Latin American culture and integrate a foreign language into our everyday lives. Please join us for a fun way to emerge yourself in a different culture.

## **Speech & Debate Club**

\*Advisor- Kerry Mohnike & Chris Harris

\*Room TBD- Team meeting times and days TBD

Speech and Debate is made of many different events where our speech and debaters compete in a state and national level. Our debaters build public speaking and debate skills that stay with them for a life time. Speech and debate at Saratoga has a long legacy of success at the prestigious state and national tournaments and students are always

willing to help new members learn more about the events and have fun! We offer 5 debate events and 10 speech events all unique and rewarding. Coaches are present to assist in discussions, lectures, practices, and tournaments. Local and out of state tournaments are held weekends and are optional. Leadership positions are available.

### **Super Smash Brothers Club**

\*Advisor- Judi Heher

\*Room 301- Club meets Wednesdays during lunch

The super smash brothers club is for all players who wish to play, compete, and have fun together. We host casual and tournament matches where people can earn prizes and socialize with others who share an interest in super smash brothers.

### **Table Tennis Club**

\*Advisor- Lauchlin Loeffler

\*Small Gym- Club meetings TBD

### **Team HBV**

\*Advisor- Jason Friend

\*Room 701- Club meets every other Wednesday during lunch

Team HBV is dedicated to spreading awareness about the existence and adverse effects of the Hepatitis B Virus, one of the major causes of liver cancer. Because symptoms of the virus only show when it is too late, Team HBV advocates early prevention techniques, such as getting a free clinical checkup, to halt the progress of the virus. We often have joint events with Stanford and attend the Fall Leadership Conference there in the fall. At the end of the year, our profits from fundraising go to the Asian Liver Center at Stanford.

### **Tzu Chi Club**

\*Advisor- Sara Tseng

\*Room 409- Club meets every other Thursday during lunch

Saratoga TC Club's main missions are to provide moral education and to share community service opportunities. Members do different and unique community service events to implement the morals taught, such as going to nursing homes, recycling centers, food banks etc., getting the chance to interact and work directly with those being helped.

### **Ukulele Club**

\*Advisor- TBD

\*Room 409- TBD

### **Ultimate Frisbee Club**

\*Advisor- Jonathan Pwu

\*Football Field- Club meets Wednesdays during Tutorial

Ultimate Frisbee Club is dedicated to learn all about the sport of Ultimate. We learn and practice new strategies and also compete in Bay Area Youth Tournaments weekly in the spring. Ultimate is a fun and easy to pick up game that anyone can play. Our goal is to spread the knowledge of the sport and to have fun competing among friends.

### **UNICEF**

\*Advisor- Gina Rodriguez

\*Room 603- Club meets Fridays during lunch

UNICEF Club serves as an extension of the world-renowned UNICEF organization, which holds as its main goal a bettering of the standard of living in impoverished and war-torn countries around the world. The club hosts fundraisers and other events with the purpose of informing the public of our mission and, of course, collecting critical supplies and money to go to people in need. We provide students an opportunity to break out of the “Saratoga bubble” by reaching out to the global community in a mutually beneficial fashion, giving students a deeper understanding of the world and appreciation of the means by which they live, all the while allowing them to volunteer for and contribute to the greater good.

### **WiSTEM**

\*Advisor- Audrey Warmuth

\*Room 301- Club meets Fridays during lunch

Saratoga WiSTEM is a new club at SHS that empowers the women of Saratoga High to explore Science, Technology, Engineering and Math related fields further. Although it may not show at Saratoga, women are a minority in STEM fields. Our club helps broaden girls’ horizons by visiting famous universities and labs, attending scientific lectures, volunteering at under-privileged science schools, helping them find summer internships, and much much more.

### **Writing Club**

\*Advisor- Meg Battey

\*Room 704- Club meets every other Monday during lunch

Writing Club is a friendly, focused club for high school writers. In meetings, members conduct discussions, learn about writing techniques, and complete writing activities. Through Writing Club, members develop important creative writing skills while realizing and furthering their personal writing ambitions.

### **Zero Robotics Club**

\*Advisor- TBD

\*Room 409- TBD

## **The Los Gatos Rowing Club (LGRC)**

### **Come learn to row with the Los Gatos Rowing Club!**

The Los Gatos Rowing Club (LGRC) is actively looking for high school students to join our vibrant rowing program. Rowing is a no-cut sport — whether you are coming off a fall sport or are haven't yet found the right sport for you, our excellent coaches we'll work with you to develop the fitness and skills you need to be a rower.

The athletes on our women's and men's teams develop a strong sense of team spirit and camaraderie. You can be a part of that, and join a number of other Saratoga High School students as members of the club! Our club is nationally competitive, and has produced many successful rowers who have gone on to sign with and attend prestigious colleges.

We'd love to talk with you about whether rowing is right for you. For more information, please go to [www.lgrc.org](http://www.lgrc.org) or contact Sandi Payne ([sandi@thepaynes.org](mailto:sandi@thepaynes.org)).
