Clovers are Celtic designs and universal to show Irish descent. The shamrock is found all over the countryside in Ireland. St. Patrick went to Ireland to convert them to Christianity. In his teachings of God, he used the shamrock (a three leaf clover) to represent the Father, Son and Holy Trinity.

A four leaf clover is considered lucky because they are very rare. The odds of finding one is 1 in 10,000. Although you may find regular clovers in Irish tattoos, four leaf clover tattoos add the symbolism of luck. It is not hard to come up with unique four leaf clover tattoos. You just need to use a little imagination and have the right information. [Lucky Clover](#)
