Any forms received after this time will not be accepted. You will receive a confirmation email once your trial form has been accepted. There is a £10 trial fee. Please bring this with you (cash) to the first trial.

## Surrey Storm NPL and Development Squads 2016-2017

Dear Player,

Thank you for showing an interest in playing for Surrey Storm NPL or Development squads for 2016-2017. As Superleague Champions for the past two years and current NPL Runner-Up, you will know we are a very successful franchise and we have exciting long-term plans for development!

This year, we are pleased to be introducing an U15 Development squad to run alongside our U16 and U18 programmes; all of which lead up to our Netball Performance League (NPL) squad. The U15 squad will be open to players currently in Year 7-Year 10 (based on date of birth as some older girls within these year groups will only be eligible to play at U16 and above).

To apply to trial to be part of Surrey Storm next year, please complete the application form and return as detailed at the bottom of the form. You do not need to specify which of the four squads (NPL, U18 Development, U16 Development or U15 Development) you wish to trial for as we will determine that. Those current players who plan to return next year to play in Development or NPL must also return the completed form. Please note we also require a passport or alternative headshot photo to be returned with your form (if this is not possible then you must bring this if invited to trial) as this will help us immensely during the trials process.

Initial trials will take place for all new players (current Development and NPL players do not need to attend this date) on Monday 29 August at Surrey Sports Park. This will be a full day trial, with all players attending the morning and some being selected through to the afternoon. After this trial, there will be up to two further trials on the evenings of Tuesday 6 and Tuesday 13 September. Further information on these will be sent out after the trial application deadline, when we confirm your application and whether you are invited to trial. Please note if attending trials, there is a £10 trial fee to be paid at your first trial.

Training for next year is yet to be finalised for Development squads, but is likely to be approximately once every three weeks. NPL training will continue every Tuesday from 8-10pm at Surrey Sports Park.

We look forward to receiving your emailed application by the deadline at 6pm on Sunday 21<sup>st</sup> August.

If you have any queries, please do not hesitate to contact us: [info@surreystormnetball.co.uk](mailto:info@surreystormnetball.co.uk)

Kind Regards

*Louise Hall*
