

Ron Mau has two sons who played football for and graduated from Smoky Mountain High School (Ronnie-'09 and Rusty – '11). Both played junior varsity and varsity football for the Smoky Mountain Mustangs. For a period of 6 years, which started before either of his son's played varsity and extended until after both had graduated, Ron kept all statistics for the varsity football team, reported those statistics to the Asheville Citizen Times and served on the Touchdown Club Board of Directors. Rusty's football career was cut short due to injuries. Despite no longer having a son involved on the football field Ron served as President of the Touchdown Club for what would have been Rusty's senior year of football. After Rusty graduated, Ron stepped down from the Touchdown Club Board of Directors but continued to keep statistics for the Mustangs for an additional year. Ron is a big football fan and continues to follow Mustang football. Ron himself had a football career that included some time on a Big 8 (now Big XII) football roster.

Mickey Luker has two children (Gracelyn & Bailey) attending Smoky Mountain High School. Gracelyn is a cheerleader for the Mustangs! Mickey has been a big supporter for the Mustangs and a football fan. He is your candidate for Jackson County Commissioner - District #4 and believes in improving the lives for all the families of our communities. Mickey and his family own and operate the Caney Fork General Store and have been a supporter of the Touchdown Club.. He will bring many years of leadership, service in public service and business entrepreneurship to our County government.

Mickey and Ron want to:

- Improve the lives of the families of Jackson County
- Ensure county finances are sustainable
- Protect and improve natural resources, infrastructure and county facilities in our communities

GOOD LUCK MUSTANGS!
