REVIEWS:

"I love this course. It is helping me get out of my head and reminding me how critical it is to organize myself first thing in the morning so that I channel my creativity in the most productive way - with a purpose."

"Lee makes you want to be a better person."

"Practical and inspiring!"

"I love the concepts and leadership advice from someone with so much experience. Different perspective in some instances, and yet such obvious easy to translate concepts as well."

"It's fantastic. I'm really appreciating learning Lee Cockerell's philosophy, methodologies, and practices of what is behind what makes Disney provide the best customer service and how it makes it the happiest place on earth."
