

Eddie & Nikki

XOX

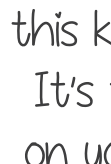

To Eddie and Nikki,
the couple to be.
A celebration of true love,
for all to see.

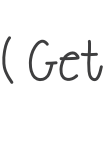

There's no other couple,
as friendly and fun.
A duo this awesome,
is second to none.

A relationship of equals,
respect and trust.
And putting up with Eddie,
patience a must!

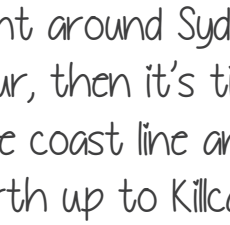

Honoured to be a part of
this knot you'll soon tie.
It's time to get high,
on your friends supply!

The Gift

(Get high for a day!)

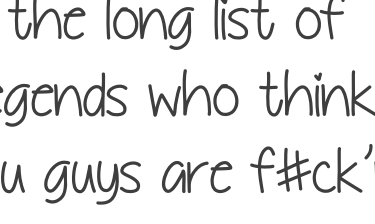

Private helicopter charter
taking both of you, for a
flight around Sydney
Harbour, then it's time to
hug the coast line and head
North up to Killcare.

You'll then land at Bells at
Killcare Restaurant and Spa
where you'll each be treated
to a 60min massage to
ease any of those post
flight tensions.

Feeling nice and relaxed? It's
time to sit down and enjoy
a luxurious degustation
lunch, paired with a
selection of matched wines,
all included.

Now feeling jolly with a belly
full of delicious food and
wine it's time to get you
home. Hop back in the
chopper for your sunset
return flight with
champagne waiting for
your safe arrival home.

So much love from
the long list of
legends who think
you guys are f#ck'n
amazing!
