FUTURE-READY LEADERS (FRL)

December 7th-9th 2016

Centre for Future-ready
Graduates

Ingredients of a Future-ready leader...

Traditionally, a leader was seen as someone authoritative: the “do as I say because I said so” boss. Leaders led...and others followed.

Industry leaders and organizational management experts believe that a Future-ready leader is someone who can:

- * Think critically, strategically and align key stakeholders;
- * Transform mindsets to enable others to maximize their potential;
- * Harness their passions to bring about innovation;
- * Collaborate & influence change.

Above all, a Future-ready leader makes *meaningful contributions* to others.

Future-ready leaders at CFG

To prepare NUS students for tomorrow’s job markets, CFG has developed a highly selective and sought-after program called Future-ready leaders (FRL).

This program will transform YOU into a Future-ready leader by providing you with valuable insight that will allow you to develop and shape your behaviours so that you will be prepared to lead.

In this highly interactive and experiential course, you will:

- Learn the art of collaboration
- Develop perspective
- Work on overcoming your limiting beliefs
- Take ownership & learn accountability
- Become more authentic with yourself & others

BE A
LEADER
NOT A BOSS

What is involved?

The FRL training program will seek to identify students who possess the potential for being Future-ready leaders.

150 selected students from across NUS will undergo the intensive FRL training program which involves 4 phases.

Phase 1: Preparation	A 15 minute preparatory call and completion of an online questionnaire
Phase 2: Future-ready leaders training	3-day training focusing on developing skills such as building trust; working collaboratively; working through own limiting beliefs; and working on personal development plans.
Phase 3: Reinforcement sessions	5 fortnightly evening workshops to reinforce learning through consistent practice & follow-up.
Phase 4: Leadership contribution	Contribute to development of other students by leading and facilitating CFG programs (16 hours over 4 months)
