CJA 384 Week 5 DQ 1

Where does the relationship of business, politics, or law and organized crime start? Why are these relationships successful? How may we better combat organized crime and its influences on business, politics, and law? Explain.

For More Tutorial Visit: <http://www.homeworkbag.com>

CJA 384 Week 5 DQ 2

Which do you think would work better: more traditional police enforcement of organized crime or new approaches for regulating organized crime connections in society?

For More Tutorial Visit: <http://www.homeworkbag.com>

CJA 384 Week 5 Individual Assignment **Controlling Organized Crime**

Write a 1,050- to 1,750-word paper, using definitions, principles, and theories from previous assignments, in which you establish a thesis regarding the control of organized crime.

Identify the problems presented and the various relationships established by organized crime.

Describe the legal limitations associated with combating organized crime, including a critique of major federal laws and strategies that support this effort.

Suggest a realistic solution to control organized crime by discussing and evaluating the effectiveness of organized crime prosecutions.

Format your paper consistent with APA guidelines.

For More Tutorial Visit: <http://www.homeworkbag.com>

CJA 384 Week 5 Learning Team Assignment **Crime Vs Terrorist**

Create a 10- to 12-slide Microsoft® PowerPoint® presentation with speaker's notes, comparing a domestic organized criminal group with a terrorist group. Select one of each based on the readings and additional resources, and answer the following questions:

What are the differences and similarities of organized crime and terrorism?

What is the scope of each group and their interrelationships with similar groups?

Explain the differences and similarities between the fundamental makeup of the groups' origins as they relate to ethnic background, political ideology, social orientation, religion, and financial motivation.

Identify past and current trends for each group, and plot out future trends or actions in which each group may potentially take part on a national and international level.

Format your references consistent with APA guidelines.
