*The State of the Town Address is presented annually by the Mayor of the Town of Miami Lakes. This event allows companies and organizations an opportunity to meet and form lasting partnerships with influential individuals in our community who strive to make a difference in the lives of so many. In the past, the State of the Town Address has been held at Park West Gallery, but this year's event shall emanate from Town Hall with approx. 100 attending. Each year proves to be greater than the last, and we are looking forward to a wonderful event this year.*
