

It's in theaters now! **TWO Brothers** coming this summer

In a **van** and then a meteor hit And they ran as fast as they could

From giant cat-monsters. And then a giant tornado came. And that's when things got knocked into weapons made from

And you better betcha bottom dollar that these two **brothers** know how to handle business. **Twelfth year** A Mexican... Armada shows up. With **TOMATOES** In Alien Invasion **Tomato Monster** **Brothers** who are just regular **Brothers** **Armada** **Mexican** Running in a **Van** from an **Asteroid** **Movie**

Hold on! **There's More** old women are comin'! And they're also in the movie and they're gonna come... and cross...attack...these two **brothers**...

But let's get back to the **brothers** because they're - they have a strong bond! You don't wanna know about it here, but I'll tell you one thing. **The Moon** it comes crashing into **Earth** And whaddya do then?

It's two **brothers** and I- and...and they're gonna...it's called 'Two **Brothers**' ...'Two **Brothers**'...it's just called
