Peanut-Butter Dog Bone Construction Party

When?

Sunday, October 9th, 3PM - 5PM

Where?

East Space (2009 Airport Blvd Austin, TX 78721, behind Lone Star Family Market)

of Hours: 2

Perks: Snacks and Soda

Description: We'll be stuffing dog bones with peanut butter and making other goodies for rescue pups at this event.

Then, on another date, we'll take them around to animal shelters. Laid back and fun, this event is the closest we can get to an actual service event with animals for folks under 16! Folks of all ages are, of course, invited.

Unplugged on The Front Porch with Matt the Electrician

When? Thursday, October 20th from 3:30 to 10:30 PM***

All Saints' Episcopal Church

(209 W. 27th. St., Austin, TX 78705)

of Hours:*** This is a **come-as-you-can** event. Nobody is required to work a certain time frame. Students will be awarded hours depending on how long they stay. Maximum is 7 hours.

Perks: Free Admission, Venue-Style Work Experience

Details: Unplugged on The Front Porch is a quarterly concert series run by The Window's parent organization, The Front Porch. The event consists of running a low-cost, high quality concert for Austin's music lovers to enjoy in the sacred space of All Saints' Sanctuary, pays the local musician a living wage that they wouldn't receive at the average venue, and includes an interview that reveals interesting facts and perspectives from the musician that wouldn't normally come up.

What Window Students Do: Load in and load out our staging, sound and lighting equipment; greet guests at the door; usher guests to seats; refill coolers; set up lights and staging; break down lights and staging

Special Notes:

- This event includes a lot of down time. Students who aren't music lovers are encouraged to bring homework to complete during the show.
- This event is atypical in that a lot of the time spent is quiet, diligent work. This event isn't as social in nature as many of our other events.
- This event is ideal for youth musicians, youth music lovers, and creative-types; still, all are encouraged to come. Those who are overwhelmed by quick-paced work may not enjoy this event as much.

Lady Bird Lake Clean-Up

Amy's Ice Cream will be provided after the ride, and transportation for this event will be made available via the Red Bus!

Settlement Home City Wide Garage Sale

When? Saturday, October 29th from 8:30-12 and 1-3

of Service Hours: up to 6

Still waiting for my connection to Settlement Home to give me exact details on this, but I'm pretty sure that these will be the shifts. 8:30 AM will be when we meet the bus at All Saints', if we do it like last year. Those going straight to the storage area will probably meet us there at nine. Folks will be welcome to work both shifts, or just one or the other; we're easy. Bus transportation will be available before, during, and after all shifts. Once I get details from my contact, I'll post the address of the storage warehouse. Basically, this event is a non-glorious box moving project that benefits an amazing cause. The morning shift will happen at the warehouse; the afternoon shift will happen at the Palmer Events Center.
