ALLIES & ORGANIZATIONS

Unclaus is an infamous outcast of a remote Magic Academy. He used to be a researcher within the academy, but his preferred research topics left the council with no other choice but to admonish him and cast him out for the repeated violation of academy rules of conduct. Long after his departure, legends are retold among the studious aspiring mages, of one crazed magician who'd gain a kick from mutilating his own body. Having set off on a journey of a life devoted to the pursuit of the mysteries behind death and decay, Unclaus doesn't shy away from any place where trouble is abrew and lives are guaranteed to be extinguished, for his pursuit leads him towards battles.
