Delta Trauma Care Region Trauma Conference

Program Information

Delta Trauma Care Region, facilities and EMS services invite you to attend the 2016 Trauma Conference. The goal of the conference is to provide evidence-based practices and current trends in trauma care.

Target Audience

The conference is designed to cover all disciplines involved in the care of the trauma patient including physicians, mid-level providers, nurses, pre-hospital personnel, and other interested health care providers.

Accreditation & Credit Designation

Continuing Medical Education

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Mississippi State Medical Association through the joint providership of Baptist Memorial Health Care Corporation (BMHCC) and Delta Trauma Care Region, Inc. BMHCC is accredited by the Mississippi State Medical Association to provide continuing medical education for physicians.

Baptist Memorial Health Care Corporation designates this live activity for a maximum of 19.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education

Baptist Memorial Health Care Corporation, the Center for Education & Organizational Development is an approved provider of continuing nursing education by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Up to 19.50 hours will be awarded.

Continuing EMS Education

Continuing Education Hours have been applied for through the Commission on Accreditation for Pre-Hospital Continuing Education. Complete attendance is required to receive continuing education credit for the activity.

Faculty Disclosure

It is the policy of Baptist Memorial Health Care Corporation (BMHCC) to promote balance, independence, objectivity, and scientific rigor in all educational activities; to require disclosure of relevant financial relationships from individuals engaged in content development or planning of a CME activity; to identify and resolve conflicts of interest related to those relationships; and to make disclosure information available to the audience prior to the CME activity. Presenters are required to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentations.
