BE A PART OF GALAXY OF STARS 2017!

The Galaxy of Stars Luncheon is the annual event hosted by the Tommy Nobis Foundation to celebrate exceptional individuals with disabilities and our community partners. On this occasion, we honor those that provide training, support and employment opportunities while standing in alignment with the Nobis Works mission to develop and provide job training, employment and vocational support for youth and adults with disabilities and other barriers to employment.

This year's Luncheon holds great prestige as we celebrate 40 years of serving people, changing lives and making dreams a reality. The impact being made by Nobis Works would not be possible without the generosity of our donors and sponsors.

We invite you to be a part of our mission and become a Galaxy of Stars 2017 Sponsor!
