Animal Song

When superstars and cannonballs are running through your head
And television freak show cops and robbers everywhere
Subway makes me nervous people pushing me too far
I've got to break away
So take my hand now
'cause i want to live like animals
Careless and free like animals
I want to live
I want to run through the jungle

With wind in my hair and the sand at my feet
I've been having difficulties keeping to myself
Feelings and emotions better left up on the shelf
Animals and children tell the truth, they never lie
Which one is more human
There's a thought, now you decide

Compassion in the jungle
Compassion in your hands, yeah
Would you like to make a run for it
Would you like to take my hand, yeah
Sometimes this life can get you down
It's so confusing
There's so many rules to follow
And i feel it
'cause i just run away in my mind

Ahhhhhhhhhhhhhhhhhhhh

Ahhhhhhhhhhhhhhhhhhhh

Superstars and cannonballs running through your head
Television freak show cops and robbers everywhere
Animals and children tell the truth, they never lie
Which one is more human
There's a thought, now you decide
Compassion in the jungle
Compassion in your hands, yeah
Would you like to make a run for it
Would you like to take my hand, yeah

Animal song

Cuando las super estrellas
y las balas de cañon atraviesan tu cabeza
el monstruo de la television muestra policias
y ladrones en todos lados
el metro me pone nervioso,
personas que me empujan demasiado,
he conseguido separarme
asi que ahora toma mi mano

porque quiero vivir como los animales
descuidado y libre, como los animales
yo quiero vivir
yo quiero vivir, correr por la selva
el viento en mi pelo y la arena en mis pies

No he tenido ninguna dificultad manteniendome
los sentimientos
y las emociones saldrian mejor sin presiones
los animales y los niños dicen la verdad,
ellos nunca mienten
¿cual es mas humano?
hay un pensamiento, ahora tu decides

compasion en la selva, compasion en tus manos, si
¿te gustaria luchar por ello?
¿te gustaria tomar de mi mano? si

A veces la vida puede deprimirte, es tan confuso
hay tantas reglas que seguir
pero yo no lo siento asi
yo me dejo llevar por mi mente

Cuando las super estrellas
y las balas de cañon atraviesan tu cabeza
el monstruo de la television muestra policias
y ladrones en todas partes
los ladrones y los niños siempre dicen la verdad,
nunca mienten
¿cual es mas humano?
ahi esta el pensamiento, ahora tu decides

Compasion en la selva
compasion en tus manos, si
¿te gustaria luchar por ello? ¿te gustaria tomar mi mano? si

Hold Me

Hey if we can't find a way out of these problems
Then maybe we don't need this
Standing face to face
Enemies at war we build defences
And secret hiding places
I might need you to hold me tonight
I might need you to say it's all right
I might need you to make the first stand
Because tonight i'm finding it hard to be your man

Hey more than angry words i hate this silence
It's getting so loud
Well i want to scream
But bitterness has silenced these emotions
It's getting hard to breathe
So tell me isn't happiness
Worth more than a gold and diamond ring?
I'm willing to do anything
To calm the storm in my heart
I've never been the praying kind
But lately i've been down upon my knees
Not looking for a miracle
Just a reason to believe

I might need you to hold me tonight
I might need you to say it's all right
I might need you to make the first stand
Because tonight i'm finding it hard to be your man

Do you remember not long ago?
When we used to live for the night-time
Cherish each moment
Now we don't live we exist
We just run through our lives
So alone That's why you've got to hold me

Hey, if we can't find a way out of these problems
Then maybe we don't need this
Standing face to face
Enemies at war we build defences
And secret hiding places
I might need you to hold me tonight
I might need you to say it's all right
I might need you to make the first stand
Because tonight i'm finding it hard to be your man
