

### Career Objective

In search of an opportunity where I can be a part of a great team environment and where I can utilize my creativity and graphic design skills.

### Education

Columbia College Chicago—Chicago, IL  
BFA, Graphic Design  
Graduation Fall 2014  
Dean's List (2013, 2014)

### Experience

#### *Graphic Designer/Interactive Designer*

KeyLimeTie—Oak Brook, IL  
September 2015—present

Work with major clients to design their websites and mobile applications with the end user in mind. Design new business cards and custom wall decals for our new office. Design tradeshow booth backdrops and brochures. Collaborate with my team to produce the best possible work for the client. Provide feedback to my team to encourage my co-workers to put out the very best work they can.

#### *Specialist*

Apple Store—Oak Brook, IL  
January 2014—August 2015

Designed custom HTML email template for regional manager to connect with his store leaders. Organized field trips and Apple Camp for children ages 8-12 to learn about our software on iOS. Connect with my customers on a personal level to gain trust and build rapport. Collaborate with my team to reach various goals. Help create or restore relationships between the product and the consumer. Provide feedback to my team to encourage and push my co-workers to be the best they can be.

#### *Freelance Design*

October 2011—present

Designed seasonal beauty magazine. Worked with major clients like TIGI and Paul Mitchell and designed microsites for them. Designed flyers, posters, email blasts and promotional pieces for a beauty company. Worked with theme based signage and printed pieces for weddings. Experience with in-store signage and communication pieces for local restaurants. Developed web pages for teachers in a local school.

### Skills and Attributes
