

Unban the alpha, the legend, the fucking warlord... Cyx\_Cyx

Alright man, I know you clicked on this well knowing what the prompt is, and truthfully I got no fucking clue on how the fuck to start this shit, but hey, we fuckin' doin' this shit bois.

ANYWAY, let's just cut to the fucking point, alright? Cause this shit is gonna be two **motherfucking** pages long, and how you're going to sit your ass through this shit and read it-- I got absolutely **NO** fucking clue. So let's begin this.

**Reason 1:** I'm ya boi... I'm **EVERYBODY'S** boy. I'm a fucking twitch chat favorite! The chat sees ya boi cyx\_cyx say "TriHard", and the fucking chat literally PogChamp's so hard IRL. It's fucking **INSANE**.

**Reason 2:** I've been apart of the stream for so long.

Now look here man, I've been apart of your stream for so long... I've been permabanned so many times, and twitch chat has cyberbullied me so hard, but I still stuck through it... I became strong, and hard (LUL). So to have something to small bring me down? After all I've been through? I can't let this happen!

**Reason 3:** When something on the stream ain't right... Who is there to give you a heads up? **THAT'S FUCKING RIGHT, IT'S YA BOI CYX.** Ya boi cyx always says "hey uh dawk... ur facecam is too dark" or some shit like that, and guess what? **I IMPROVE THE QUALITY OF THE STREAM.** Do you **REALIZE** how good that shit is? Man, I point out the things that nobody points out, and I have good ideas, sometimes. (SUCH AS THAT FUCKING BIRDS EYE VIEW CAM. WOW. THAT SHIT WAS A FUCKING GREAT IDEA.)

**Reason 4:** I still have fucking sloths to spend.

Yo, if I'm ever gonna get perma'd in your stream, I'm spending ALL of my fucking sloths. I aint about to let my sloths go to waste... All that time farming in your stream. The hours, the dedication, and the desire to become the richest in your chat... & just to lose this, all for nothing? **NO**... I spent so much time thinking for fanart ideas so I can get those extra 25 sloths (even though most of my ideas came from when I was taking a massive shit-- it still required heavy thinking).

ANYWAY, there are more reasons, but truth be told I think those are the best reasons that you're going to get out of me, and if you want me to bring up more good reasons, well, you're just gonna have to wait till I go take a shit.

All in all, my BOI Dawkins154, ur MAH BOI, alright? & I don't know how I'm going to sleep at night with me being permabanned in ur twitch chat... really... i don't know how i'm going to do it... So hey man, I'll make you some "promises" so you can have a change in heart :DDDDDDDD

I promise to you, mah boi, that I won't **ever** make an alternate account. Yeah, yeah that was really childish of me, bro. Won't happen again, **TRUST ME.**

I also promise that when I do get timed out, that I will learn my lesson like a fucking dog, or whatever, and keep my fucking mouth shut... because in all honesty dawkins... I'm not the alpha... **YOU** are! I'm the fucking dog in this scenario!

Anyway, mah boi Dawkins, I hope u can look past this whole situation, and forgive me. & hey man... maybe if this aint askin for too much... then maybe you can consider modding cyx... doesn't that sound like a good idea? #MODCYX
