

Farewell to my son

This is our goodbye
My body soon will succumb
Now you are the man of the house
Take care of your sister and mom
Be fair with your brothers
A leader gives, he never takes
Be nice with them.

Always do what is right
Listen to those who know
Always follow your instinct,
Always listen and learn,
Always protect your family
prepare for the future.

Love our mother earth
Love your fellow man
Save the trees
Protect life
Save your money
Religion is a waste of time and money
Never be afraid of asking questions
the man who ask is half of the way to
become wise.
