[#TheVoice](#) "The Road to the Live Shows" featured some unseen footage... just not of Katherine Ho, Teresa Guidry, Lily Green or Gina Castanzo.

Hating on Caroline Burns for the Katherine Ho stuff is idiotic, but most YouTube commenters are idiotic. [#TheVoice](#)

Clara Hong had her blind audition shown, but then became a victim of #TheVoice triple montaging of Rebekah Samarin.

**The Voice Shade** @TheVoiceShade · Apr 5

Here is Rebekah Samarin's response to finding out #TheVoice triple montaged her in season 7:

**The Voice Shade** @TheVoiceShade · Apr 5

Daria Jazmin is another Asian American montaged entirely out of #TheVoice. Anyone see a pattern here?

**The Voice Shade** @TheVoiceShade · Apr 5

Adanna Duru, who had a good run on season 14 of [#AmericanIdol](#), was one of the first [#TheVoice](#) double montages.

**The Voice Shade** @TheVoiceShade · Apr 5

Cilla Chan was a [#TheVoice](#) double montage. Should Asian Americans have seen their treatment of Katherine Ho coming?

**The Voice Shade** @TheVoiceShade · Apr 5

Did you know that when season 3 introduced [#thevoiceliveknockouts](#), they aired 10 in two hours? Now [#TheVoice](#) only gets 6 in that same timeframe.

**The Voice Shade** @TheVoiceShade · Apr 4

Do you remember Ben Taub from season 3 of [#TheVoice](#)? Of course not, because he was double montaged!

**The Voice Shade** @TheVoiceShade · Apr 4

Katherine Ho, the second victim of [#TheVoice](#) triple montage. What she sounded like live, we'll never know.

**The Voice Shade** @TheVoiceShade · Apr 4

Rebekah Samarin, the first victim of [#TheVoice](#) triple montage. What she sounded like live, we'll never know.

**The Voice Shade** @TheVoiceShade · Apr 4

Daria Jazmin too. If anyone ever confronted [#TheVoice](#) about this, they'd just use Tessanne Chin as their defense.

**Lauren** @4thlor

First the montage treatment for Cilla Chan, now Katherine Ho. What does @NBCTheVoice have against Asians?
