

Unique Workspace Designs

Perfect Cleaners London

HWT's office has been awarded the Liveable Office Award

Canadian PR agency
BICOM Communications
has a stylish, open space
office featuring
house-like pods, each
with their own decor
theme

Tebfin's office in Johannesburg is designed with a focus on luxurious finishes, rich colors and textural contrast

Google Japan's office features impressive patterns and bright colours to inspire creativity

Located in the middle of the woods in Madrid, half of the tube-like structure is underground while a glass canopy forms the rest

Inventionland
employees are busy at
work on this marvelous
pirate ship

Pixar adopts
customises the ordinary
cubicle system to their
tastes. Every
communal area is
littered with life-size
movie characters,
space hoppers,
scooters and toys.

The End.

Thanks for watching
