What is the Agency Fair? The Agency Fair is a yearly event that The Chicago School hosts to invite agencies from the community to come and represent their agency and their work to students seeking practicum placements and internships for the next placement year.

Is there any cost? There is no cost to attend the Agency Fair.

Can I attend both Agency Fair days? YES! We invite you to attend the one day that better represents your service area, OR you can attend both agency fair days, if you would like! Just be sure to indicate RSVP for BOTH events, so we can anticipate your attendance at both events.

Do I need to bring anything? You should bring at minimum 20 copies of your resume/vitae, and business cards if you have those.

Is there a dress code? Since it is important to conduct yourself in a professional manner, you should attend in business professional clothing.

Any questions regarding the Agency Fair can be directed to CApracticum@thechicagoschool.edu
We look forward to seeing you at the Agency Fair!
