ANTIOCH COLLEGE

antioch college
february – december 2016
graphic & web designer & photographer

Worked with all departments within the college to meet their design, web, and photography needs. Generated print and digital media for alumni, admissions, donor relations, kitchen and farms, theater, Wellness Center, and many other departments. Managed drupal CMS for main website as well as sister sites of the college. Upheld brand standards within all design aspects of the college's materials.
