

Unlock a fabulous Opportunity in Chevella

Model Colony is unlike any layout that you might know. Set within the town limits of Chevella, a town growing with immense velocity, this colony is a once in a lifetime investment opportunity. A modern and fully developed layout with plots carefully and functionally crafted amidst acres of lush parks and landscaping. Northstar Developers have carefully studied the market and are presenting a fabulous layout that is streets ahead in comfort and miles ahead in returns on investment.

Model Colony

where life happens
