

From Inside Announces Debut Gig as Exclusive EP Launch Show Following Video Release Success

Liverpool's own From Inside have just dropped the news of their very first show alongside North West pop punkers and metallers WSTR, Cale Lane, Vote Edison and Posonia. This headlining gig, hosted by Rawkus! Events on January 6th, 2017 at the Magnet in Liverpool, will double as From Insides EP launch and will grant fans a chance to get their hands on the highly anticipated 'The New Era' EP a week before it's worldwide release.

Following the video success of 'Find My Way', 'Be Yourself' and 'Two Sides of Me', the band have been rapidly building up a fan base at a rate that is helping shed even more light back into Liverpool's metal scene. The band recently made agency agreements which meant a rescheduling of the EP's worldwide release (a move from January 6th to January 13th, 2017), but has given this specific gig its own unique opportunity to provide patrons exclusive early access to it's purchase.

From Inside came to be towards the end of 2015; the result of a natural process brought forward by its members from being in other bands and supporting each other in the past. Their combined pasts and endurances breath passion into their songs and videos that address the human experience and the perseverance through life's ups and down; fueled by the addition of heavy guitars, catchy choruses and raw emotion. In the short time they have been together they have already aired on Kerrang! Radio and been the stars of various interviews across the web, as well as worked with the talented music video producers responsible for the recent big video hits of Oceans Ate Alaska, Silent Screams and Atilla.

For attendees over 18 years there will also be a Rawkus! Aftershow Party. This is something surely not to be missed and will give you a heart racing kickstart to the new year.
