**Ireland's award winning designer, Sabine Lenz, creates jewellery renowned for the message it carries. Inspired by all things Irish Sabine uses Irish phrases on many of her contemporary designs. All the jewellery is handcrafted in her West Cork studio.**

*"I fell in love with Ireland over twenty years ago - the wild landscape, the quaint villages and the lovely people. For me Ireland and the Irish have something special: a beautiful heart"*

A handwritten signature in black ink that reads "Sabine Lenz". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
