**Digital Banners** – Our Digital Banner download section contains glove images with taglines in the most common digital sizes following IAB standards. To download an image, search by glove name (for example-GWBN), or glove material. Once you have selected the glove and image, simply click the green download button to download the file.

**Training Videos** - We offer our AMMEX distributors exclusive video content which contains training videos for your sales and customer support teams. Our “Gloves 101” video discusses the varying grades in our glove line, the different glove materials, as well as the industry best served by each product. Our microfiber video shows the behind the scenes making of the AMMEX microfiber towel. Our anti-microbial video demonstrates the features and benefits of the AMMEX anti-microbial powder free vinyl gloves. The “How to Change Your Oil” video shows our popular Gloveworks Heavy Duty Orange Nitrile gloves in action at an auto repair shop.

**Chemical Resistance Chart** - This Chemical Resistance Chart is for advisory use only. Conditions, exposure times, chemical concentrations and residues may affect glove performance. It is strongly advised that on-site testing of all gloves is important to help determine safe usage. Glove chemical resistance based on 5 mil gloves. Glove material thickness will effect chemical resistance duration.

**Grow Your Glove Sales Video** - AMMEX has created a new whiteboard animated video showcasing the many ways we can help you grow your glove sales!

**Website Best Practices** – AMMEX strives to support our clients and partners with marketing and digital marketing materials to help you grow your business. This building collection of articles covers website best practices and how to compete as the market continues in this Digital Age.

**Library** – As a company, we believe in growing and improving every day. We have compiled recommendations from across all departments and positions at our company to curate a list of articles, books, videos, podcasts and more. Browse through the library to find resources on topics such as leadership, marketing, sales, logistics, pricing, motivation, and productivity.

**Calendar** - Your Calendar is a quick snapshot and overview of what we have planned for online content and marketing. Check out the monthly campaigns, tradeshow we will be attending, conferences, unique holidays, and more. This is a great place to see what we have coming up, align with us or let us know if there is something that we are missing and should add.
