OTHER VARIATIONS:

TOM
Hey mate, what you up to?

CLIMBER
Just enjoying a mango. Whats up?

TOM
I just got an Akimbo

CLIMBER
Whats that?

TOM
Its a new SRT climbing tool

CLIMBER
What like the spiderjack?

TOM
Thats a doubled rope tool

CLIMBER
So like a lockjack?

TOM
Also not for SRT

CLIMBER
Like a Jackmaster?

TOM
Thats a wanking tool mate

CLIMBER
So its a climbing tool made for
SRT?

TOM
Exactly

CLIMBER
Sounds like a wankers tool to me
mate

TOM
Fair enough, enjoy your mango

Another one

TOM (CONT'D)

How are you now?

ARBORIST

Good and you?

TOM

Not so bad

ARBORIST

What's up?

TOM

Just got the Akimbo

ARBORIST

What's it like?

TOM

Don't know yet, but I have one

ARBORIST

You're not just calling up everyone
you know bragging about having a
tool are you?

TOM

Um... no?

ARBORIST

Oh good, cause that would be kind
of sad. You know, like those people
who line up overnight for the next
generation smartphone
Only so they can show off to their
friends that they have their hands
on a marginally improved device.
I mean, its okay to get some
enjoyment out of owning something,
but people who take joy from other
people not having things are kind
of sad. You know what I mean?

TOM

Ummmmmmmm

ARBORIST

Anyway I have to go, got a life to live outside of the internet. Have a good day now.
