

Milton Barbarosh High-End Finance Professional

Florida is home to several blue chip companies. One of them based in Boca Raton -Stenton Leigh Group would be the focus of this article. Let me start by relaying the owner's profile. Stenton Leigh Group is owned by Milton Barbarosh, a veteran in the financial world. He has a rich and wide experience working for KPMG and several other corporate outfits before setting up Stenton Leigh Group. It is not an exaggeration to say that he is one of the world's foremost and most respected financial consultants. One thing that your business would get to enjoy from hiring the services of Milton Barbarosh's consulting outfit is Goodwill. Associating with Stenton Leigh Group alone could bring your business fortunes especially as firms tend to do business more with other firms who have strategic alliances with partners that have commanding brand names in the financial services sector or in the consulting world. The brand- Milton Barbarosh and Stenton Leigh has a universal recognition so much so that it comes first on searches for names of financial consulting outfits on search engines. The scope of the services offered by Stenton Leigh group covers Valuation Service, Mergers and Acquisition, Principal Investments, Assets Management, and Consulting services. Stenton Leigh group has so risen in fame and in prominence so much so that that amongst the elite league of financial consulting organizations, it has been bestowed the enviable position of one of the top financial consulting outfit in south Florida by a credible non-profit rating organization – NAABO.
