

MONGREL

for Wind Quintet and Piano

By
Aidan Teplitzky

I was born in Australia and I have spent the majority of my life in Scotland.

My mother is Scottish from Norwegian descent and my father is Australian from Russian descent.

I don't feel I can associate myself to any of these different countries and cultures and can only formulate an understanding of my identity in these cultures through stereotypes of their music.

I am a MONGREL and I don't feel I have a specific cultural identity.

I don't need a cultural identity.
