2. 1 pair of all black and 1 pair of all white sneakers if you have them.
3. 1 pair of blue jeans and 1 pair of black dress pants.

Please pack your items in a small tote bag because spacing is very limited. Make sure that you bring these items along with additional things the fashion designers may want you to bring.

HAIR AND MAKEUP

We have limited professionals that will provide hair and makeup services on the children models ages 3-17 only. Each model must come with their hair already straighten PULLED UP in a simple updo bun style with no oil or grease products. You may wear braid, weave, or natural styles if you already have them. Bring your own personal foundation/makeup kit to do your own makeup as a backup plan. There will be a runway practice first before you apply your hair and makeup.

If you know any hair or makeup professionals who may want to help, please ask them to text BYFT NEW YORK CITY, their first/last name, and if they are helping with hair or makeup to Mr. Debonair at 254-317-5440.

Note: Models do not choose their hair styles. I will brief my hair and makeup team on the style that they do on each model is final. Male models come with a fresh hair cut.

IMPORTANT THINGS TO REMEMBER

1. Once you arrive at **7AM CALL TIME**, you will remain at the venue the entire time until the event is over. Please eat a good breakfast before hand. Outside food is not allowed into the venue.
2. As a model you will not be able to choose your garments or hair/makeup styles.
3. Please wear clear deodorant that day so that we don't stain the designer's garments. You are solely responsible for returning the garments back to the designer immediately after the scene is over. Do not rush and tear any garments. You will be responsible for any damage to the garment.
4. We are only allowed to use the inside of the ballroom for changing and hair/makeup application. None of the participants will be allowed in the foyer or hallways area of the venue. The venue is very strict on this policy and will end the fashion show immediately if we violate this rule one time. Please make sure that the young children models understand this. Brief all children models so that they are not running or playing at anytime before, during, or after the event. Once the event start, we will have a few volunteers to watch the kids so that the parents may enjoy the show.
5. Everyone must stay after the event to help straighten up the general ballroom and bathroom areas to make sure that no mess is left behind.
6. We foster a positive environment throughout the duration of our fashion events. Any attitudes or negativity will get you dismissed from the event without warning. Bring your biggest smile and heart.

7. Although we **DO NOT** promise you pictures or video from this event, I will share all pictures submitted by my photographers within a month after the event. Please remain in the event group on BeautifulMode.com to receive any pictures that I receive.
