

## **Best Aesthetic and Cosmetic Clinic in Delhi**

Who does not want beautiful skin and contoured body? All that we urged for is that we appear flawless no matter how old we get. Gender does not matter when we talk of beautiful skin with well shaped body structure. It is of no doubt that we all have always wanted to look good and get appreciated for it. But the question is, are we able to maintain our skin along with the body? Many would definitely say no and it is so because, we live a hectic life.

Many of us are not able to take out time for ourselves as our daily work has surpassed us. And we find impossible to take even an hour out of our busy scheduled. And in the mid of all these, our skin gets dull, looks unhealthy and the glow of the face gets wiped away. We forget to stay fit and healthy, eating street foods and unhealthy things that directly make you gain weight as well as stubborn fats.

### **How to get back the rejuvenated skin?**

In spite of being busy with heavy scheduled work and appointments, it is necessary that you take care of your skin and body as well. And to know how, visit a certified dermatologist who can help you best in bringing back life in your skin. At **SCULPT** clinic, Dr Hema Pant provides best of skin care treatments that your skin needs. We provide procedures ranging from chemical peeling, laser hair removal, photo-rejuvenation, skin fairness treatment, PRP therapy, Botox and filler treatment to Thermage skin tightening treatment.

### **How to get back your contoured body?**

First of all we should stop eating unhealthy foods. Exercise and dieting will help in reducing weight and fats. But in some cases, fats resist to get removed. It does not address any workouts. This is when to consider visiting a board certified cosmetic and plastic surgeon. Dr Vivek Kumar at **SCULPT** clinic is a renowned and certified surgeon who has more than 10 years of experience.
