

# ISCOM 471 Week 3 Individual Assignment Process Improvement Organizational Posters

---

Choose an organization with which you are familiar.

Create a total of two business-quality posters that can be created on paper or by using a software application (Microsoft®Office Suite). Creativity is encouraged. Be sure that the posters represent the following:

**Poster One:**

- Identify 2 or 3 examples of process improvement opportunities in your chosen organization's industry.
- Identify 2 or 3 process improvement opportunities in your selected organization.
- Show the process improvement opportunities identified in your selected organization.

**Poster Two:**

- Identify examples of how organizations prioritize process improvement activities to improve performance.
- Prioritize process improvement activities for your selected organization.
- Show the priorities of the activities you created for your selected organization.
