**Crystal Walczak    Val Sulejmani    Alex Geraghty**  
LOAN PARTNERS

Our Loan Partners' highest priority is to get your loan closed on time. They work closely with our Underwriters, your insurance agent, and the title company. They also work hand-in-hand with Miz on loans in contract, and are your primary contact from the time you get a contract until closing. Once your loan is in contract, they will call you every week for your "Tuesday Update".
