

DISCO RISQUÉ

Disco Risqué is energy! Screaming guitars, pounding drums, thumping bass, blaring horns, and raw vocals come together in a controlled chaos that leaves listeners astounded and hungry for more. Formed in early 2014 and performing with the current lineup since mid-2015, Disco Risqué hails from Charlottesville, VA and have spent the last year developing a signature sound and a fiercely loyal following of dedicated fans. Within the first year of playing live the group delivered their eponymous debut double album, performed with up and coming greats such as Tauk, Pigeons Playing Ping Pong, and Peoples Blues of Richmond, and were chosen to be 1 of 4 bands in Virginia to participate in the prestigious Rockn to Lockn competition. Combining elements of rock, funk, hip-hop, hardcore, and pop Disco Risqué takes their listeners to previously untrodden sonic realms. With a grueling practice schedule and a seemingly limitless desire to take their music to the next level, Disco Risqué has quickly proven themselves as an up and coming powerhouse.
